

To all Museums and Cultural Institution Facility Professionals:

On behalf of the Museum and Cultural Institutions Council, we wanted to invite you to join the council or reactivate your council membership. Don't miss out on the valuable resources and benefits that can help you advance your career and improve the performance of your facilities!

Joining is easy!

Contact IFMA's Member Services by calling (713) 623-4362. Each IFMA member is a significant part of our community. Please keep in mind all of the perks and the potential for personal and professional growth that the Museum and Cultural Institutions Council of IFMA provides.

Value of Council Membership:

- Council members connect with like-minded individuals from around the world who share knowledge, answers and insights about managing museums and cultural institutions.
- Access to peer knowledge through our online community and social networks.
- Educational programs, benchmarking and best practices address specific issues that you face managing a museum or cultural institution.
- Participate in discussion groups to solve job-related problems and assist fellow members with projects and career objectives.
- Council members benefit from professional and personal development.

Council Growth:

As we work on rebooting the council, we want all members to be engaged and help us to grow. One way we are doing this is by establishing three committees in which we invite you to participate.

- **Membership** – Current, prospective, and former member outreach programs aimed at growing our network of professionals
- **Networking** – Finding creative ways to bring members together regardless of geography
- **Education** – Spearheading opportunities to grow and develop current professionals as well as prepare the next generation of MCIC professionals

We look forward to working with each of you on growing this exceptional group of professionals. If you have any questions or comments about your membership, please contact me. We want to ensure that we continue to be of value to you.

We look forward to welcoming you as a member of our council!

Sincerely,

Cameron Christensen, FMP, EFP
